Letter from the Yearbook Staff

Upon entering into the yearbook club, none of us truly understood the hard work and stress that we were going to endure. But sooner than later, we were picking covers and starting to put together this school year into a book of memories we will never forget. Sure, putting the yearbook together may have some difficulties, but seeing our story come to life has made the entire process tremendously worth it.

We would like to give a huge thank you to all of those that made this yearbook possible, including Mr. McCann, Mr. Costa, Jostens Yearbook, Chestnut Hill Studios, Mr. Coulombe, Mr. Whalen, the yearbook staff, and every student and staff member that makes this community the special place that it is. We are so grateful for all of your contributions in order for us to have this book that we will always cherish and one day look back on with an overwhelming amount of nostalgia.

More than anything, we would like to thank the class of 2018, AKA The Dream Team. This book is for you. We hope one day that you will show your kids all the memories you made in your high school years and remind them that “It’s not too bad” when they are following your footsteps and entering the world of high school you now know all too well. We hope your life beyond high school is as bright as the lights in the cafeteria and your high school career was one for the books, since it’s literally in a book (ha). Do great things, Dream Team. We wish you the best.

Thank you Case High for a wonderful 2017-2018 year! Now please enjoy the yearbook!

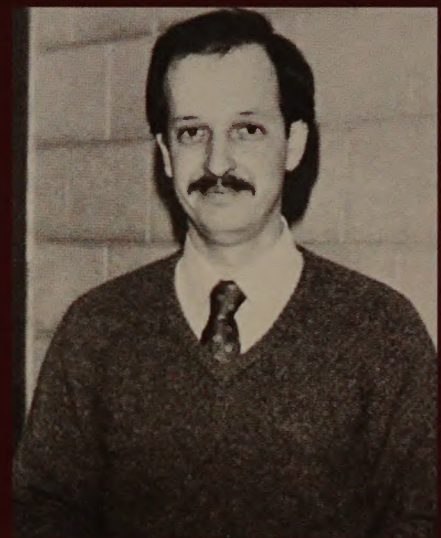

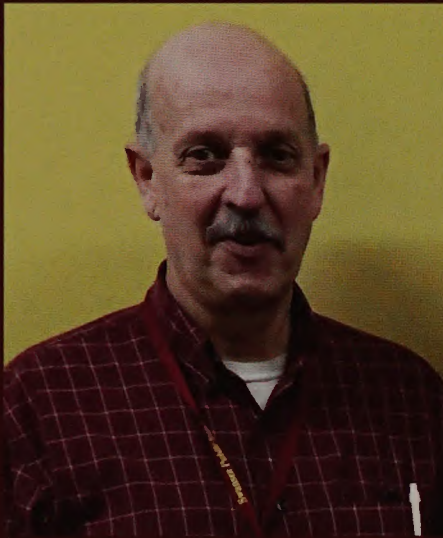

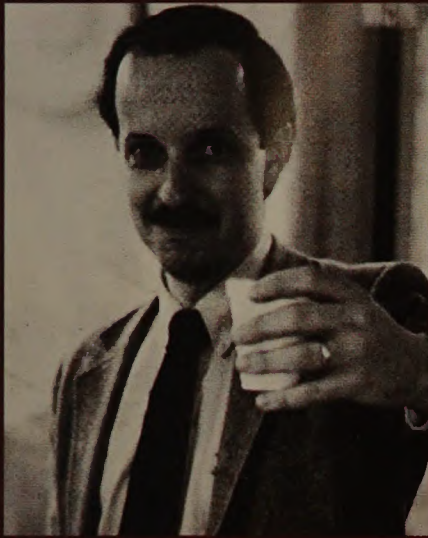

Sincerely,
The Yearbook Staff

Yearbook Dedication

On behalf of the class of 2018, we are honored to
dedicate this year's yearbook to:

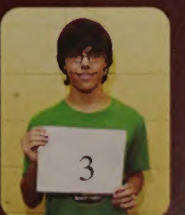

Mr. Robert Fontaine

Mr. Fontaine started his career in schooling at Bishop Connolly High School, where he served for 23 years; 10 of those as Assistant Principal. He also worked in the guidance department for 2 years and as a business teacher. He started at the AAA Driving School, formerly Bristol County Driving School, where he has been for 32 years. He has held the title of Treasurer for the union of the Swansea Educators' Association as well. It is his 19th and final year here at Case, where he's a well known computer science teacher, and part of the AAA Driving School for many Case students.

Mr. Fontaine's many years in the halls, in class and in his AAA cars will be greatly missed. We are pleased to be part of Mr. Fontaine's final year of teaching, but he'll be around holding onto the roof handles of cars for his life a little bit longer, until he's lounging with his feet up at home.

Thank you for the laughs, stories, and teaching you've shared with us.
You'll be greatly missed.

Letters from the Administration

Congratulations Class of 2018!

You have finally come to the end of your journey through Swansea Public Schools.

This is an exciting time in your lives as you stand on the threshold of your new adventure! Take the time to reflect upon all of the great things that have transpired throughout your school years and strive to make positive changes in the world around you. Remember to be mindful and kind in all areas of your life as that is of the utmost importance. Embrace the new challenges that will come your way and know that you will always have a support system here in Swansea because, "We Are All Cardinals!"
Good luck. Be well.

John Robidoux
Superintendent of Schools

To the Class of 2018,

Congratulations on your achievement!

By earning your diploma, you have opened pathways which will determine your next direction in life; choose wisely.

I leave you with this thought, so aptly stated by the great John Wooden:

"Be true to yourself. Make each day a masterpiece. Help others. Drink deeply from good books. Make friendship a fine art. Build a shelter against a rainy day."

~ John Wooden

Fondly,

Ms. White
Assistant Superintendent

To the Class of 2018:

I sat in my oversized leather chair in the main office one morning in late January almost an hour before the school day began. Sometimes I like to steal ten minutes before each to read something for pleasure. It might be a play I'm interested investigating; it may be one of the many "educational" books I read to be a better school leader; it might be the latest piece of popular fiction. But this morning, I've been transported back to 19th century London in the world of Charles Dickens' Bleak House. The novel itself is more than 900 pages; I have set a schedule to read one chapter a day in order to be done with the book in early March.

But today, the words of Dickens were not about orphans caught in the judicial tangle of the law firm of Jarndyce and Jarndyce. As I poured over this early morning text, these sentiments were really about the Class of 2018 for me, especially in light of the publication of this yearbook on the verge of your high school graduation:

"I had for a moment an indefinable impression of myself as being something different from what I was then."

As you walk across the stage on the first Sunday in June and move your tassel from right to left, think about how high school has transformed and prepared you for your next adventure.

And then be grateful.

Thank the people who have made you smarter, stronger, and more empathetic. Seek those who challenged you to take risks and pushed you out of your comfort zone and say "thank you."

No one exits high school the same way they came in. And because fate brought you to Swansea, you are now more prepared than ever to face the challenges of the world in the second quarter of the 21st century.

I am proud that we learned together, cheered together, celebrate together, as well as felt sorrow together. These relationships that were honed and fostered on School Street have aided in transforming you into a better person.

Embrace the difference in you after four years. Now do something fabulous with it.

Cheers!
Brian McCann
Principal

To The Class of 2018,

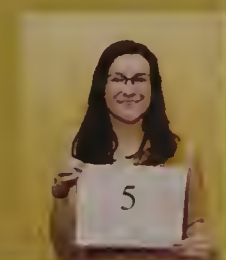

As your final year at Joseph Case High School comes to a close, you are now faced with answering a very important question, "What's next?" Fortunately, your high school career was filled with decision making. Course selections, extra-curricular participation, and social involvement have shaped your high school experience and influences one of the most important choices in your lives. Whether you plan on entering higher education, the military, or the workforce, I am confident that Case High School has provided you with the skills and self-reliance needed to tackle this complex decision.

As you reflect on the past four years, thank those who have helped you along the way. Your families, friends, teachers, and coaches have celebrated your achievements and supported you when faced with adversity. It is now your responsibility to apply these experiences to your future endeavors. Take advantage of this time in your lives to reach your unlimited potential as products of the Swansea Public Schools.

Realize your dreams and don't ever be fearful of taking risks. Best wishes.

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!

You have brains in your head.
You have feet in your shoes.
You can steer yourself
any direction you choose.
You're on your own. And you know what you know.
And YOU are the guy who'll decide where to go.

You'll look up and down streets. Look 'em over with care.
About some you will say, "I don't choose to go there."
With your head full of brains and your shoes full of feet,
you're too smart to go down any not-so-good street.

And you may not find any
you'll want to go down.
In that case, of course,
you'll head straight out of town.

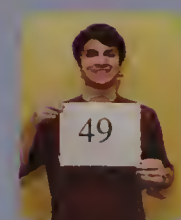

It's opener there
in the wide open air.

Out there things can happen
and frequently do
to people as brainy
and footsy as you.

And then things start to happen,
don't worry. Don't stew.
Just go right along.
You'll start happening too.

OH!
THE PLACES YOU'LL GO!

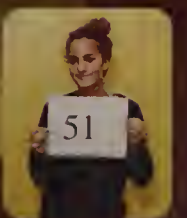

-Dr. Seuss
